

The 10 Network Marketing Vows

The following exercise is meant to be fun, but if you don't agree to all 10 vows then Network Marketing seriously might not be for you! 😊

Do you, _____ in pursuit of _____, agree to endure, with a smile on your face and a shrug of the shoulders, such major, excruciating, life changing disappointments as:

1. Customers cancelling
2. Distributors quitting
3. Guests not showing up at opportunity meetings
4. Distributors jumping ship and joining other networks
5. Customer orders going astray occasionally
6. The company increasing prices occasionally
7. A rival company releasing a great new product
8. Your Dad's "knows everything, never achieved anything" friend telling you that you've joined a pyramid scheme
9. Your closest family and friends not quite sharing your enthusiasm for the business
10. Travelling 40 miles to see a customer, only for them to not be at home (*or possibly even hiding behind the sofa*)

Please circle your answer: I do | I don't
